DEDICATION

TO OUR PARENTS

We, the Seniors of Benhaven, dedicate this annual to all our parents who have strived so hard for us. You have been faithful to help us and we want to show our appreciation for all you have done.

It is with sincere and loyal devotion that we dedicate this annual to you. Without you, what would we have and where would we be? You have made us what we are. While we were at school, you were at home working for us. It is you who have encouraged us and helped us in time of trouble and rejoiced with us when we were happy.

We are now at the beginning of life. We will have to make our own way in the world. But no matter what happens, we will never forget our beloved parents.
